

Learn to Sail

Introduction to Sailing & CYA Basic

Our unique floating class-room program, delivered aboard a luxury 41' yacht, is designed to take you from being a novice sailor to the point where you can safely operate and day-sail a boat up to 40' in length. In addition, the course meets the requirements for designation as CYA Basic Cruising. Choose either Monday and Wednesday evenings or Saturday and Sunday mornings, for four weeks. **Starts April 2012. Fee \$895.00**

Intermediate Cruising

This extensive course is designed to prepare you for handling a 40' boat in coastal waters and to safely sail at night. It is the minimum standard required by reputable charter companies for bareboating.

A mixture of classroom (24 hours) and continuous hands-on sailing (24 hours) this course meets the requirements for designation at the CYA Intermediate Cruising level. The program includes; Coastal Navigation, Gennaker work and all the requirements needed to meet the standard. Check out the link to see all of the course content.

www.sailing.ca/images/uploads/Intermediate%20Cruise%20April%204%202011%20effective%20change.pdf

Classroom Starts February 2012. Fee \$1 350.00, plus provisioning.

Handling Under Power & Docking

Crunched the dock one time too many, struggling to get off with an on-dock wind, can't reverse into your slip? This course is for you. With a focus on handling a larger sail boat under power, topics covered include, getting off a slip with an on-slip wind, backing into a tight slip, docking emergencies, anchoring, getting afloat after running aground. **Fee \$250.00**

2012 Training Schedule

Spring Tune Up

Feeling rusty, didn't quite get some of those bugs worked out? Join us for a spring tune up. Four hours on the water to cover slipping, setting sail, trimming, manoeuvring under power, man overboard and docking. **Fee \$250.00**

Night Sailing

Our unique program kicks off at 2200 with an after dark departure. Includes sailing and deck operations, harbour entrance, channel navigation, GPS and Radar approach. **Fee \$250.00**

Heavy Weather Sailing

For the ruffly tufty in you! Sail with an experienced group in heavy weather conditions. Practice reefing, tacking, gybing and heaving to. Call us to get on the wait list for a windy day! **Fee \$250.00**

Sail Trim

Need that extra bit of guidance on safe, effective sail handling. Need to know the best way to trim the sail, get the best roach out of your main, guarantee safe gybing under all conditions. This program gives you the chance to work on these and other challenges of safe sailing while optimizing the speed potential of your yacht. **Includes practical deployment and handling of a gennaker. Price \$250.00**
